That's the sensationally important meaning of this glorious event. Every golden promise tested by yesterday's crush and proved beyond every shadow of doubt by the mighty rush of selling that began the minute the doors opened and grew in volume throughout the day. In the name of your pocket book don't jump to the false conclusion that these values "look too good to be true." Don't think that our boiling enthusiasm has led us to paint this opportunity in over-glaring colors. Be wise enough to see with your own eyes. Cook is the factory surplus seller of 10 big eastern factories. \$100,000 worth of goods have been consigned here to be sold in 9 days, and Cook sells if he has to virtually give the goods away.
